Pascale FAUVEAU-LAGAYE, Interreg Euro-MED

The Interreg Euro-MED Programme 2021-2027

69 regions from
14 countries

294M€

Interreg Euro-MED's missions: a comprehensive approach

**Strengthening an
innovative
sustainable economy**

**Protecting, restoring
and valorising the
natural environment
and heritage**

**Promoting
green living areas**

**Enhancing
sustainable tourism**

Mission

Protecting, restoring and valorising the natural environment and heritage

➤ promote **climate change mitigation and adaptation** measures

➤ restore **degraded ecosystems** on land and at sea

➤ boost the **connection of natural ecosystems** at transnational level

➤ valorise **economic and social value of biodiversity**

Mission

Enhancing sustainable tourism

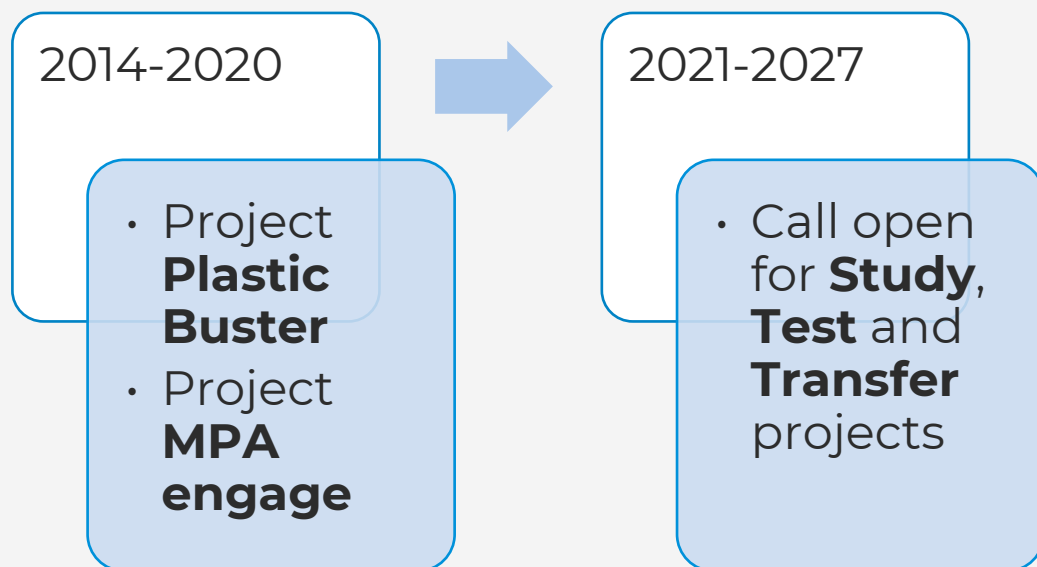

- > integrate **tourism in circular economy**
- > contribute to **environmental neutral tourism**

- > improve **sustainability of ecosystem services**
- > preserve **natural resources and cultural heritage**

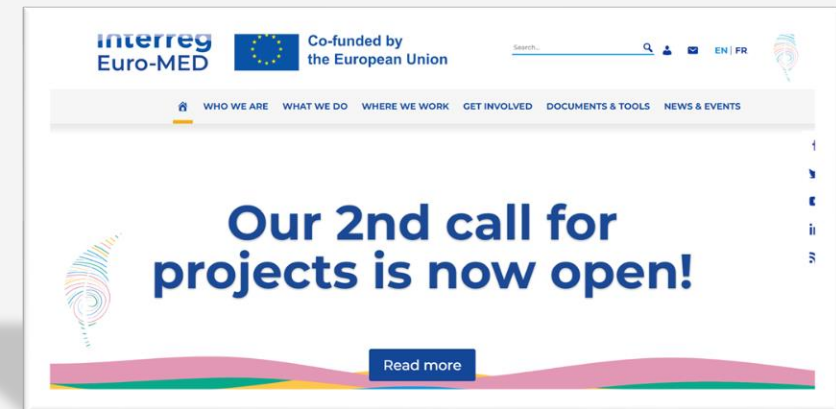

A continuity

Supported by

- Community of projects
- MED Academy
